## **Groninger USA, LLC Announces New North American Headquarters in Charlotte, North Carolina**

(Charlotte, NC. March 2, 2011). Development Advisors is pleased to announce that their client Groninger USA has selected Charlotte, North Carolina for their new North American headquarters. The company expects to invest more than \$3.7 million and employ a total of 41 people including the creation of 22 new jobs.

Groninger designs and manufactures filling and packaging machinery for the hygienic processing of chemical, cosmetic and pharmaceutical preparations. Groninger was established in 1980 and has installed over 1,200 processing systems throughout the world. They are widely recognized for their technological innovation, quality, economy and extraordinary service implementation.

Their final selection of Charlotte was made after an extensive evaluation of multiple locations in the region conducted by Development Advisors with additional consulting provided by strategic alliance partner [Dixon Hughes, PLLC](#). The ground-breaking on the new 27,500 square foot state-of-the-art design and manufacturing center is expected to take place on April 28, 2011. Design and development services are being provided by [Cox-Schepp Construction, Inc.](#)
